Marriage is a precious sign, for "when a man and a woman celebrate the sacrament of marriage, God is, as it were, 'mirrored' in them; he impresses in them his own features and the indelible character of his love. Marriage is the icon of God's love for us. Indeed, God is also communion: the three Persons of the Father, the

Son and the Holy Spirit live eternally in perfect unity. And this is precisely the mystery of marriage: God makes of the two spouses one single existence".

Pope Francis, "Amoris Laetitia" #121

HYMN OF THE DAY

O the love of my Lord is the essence
Of all that I love here on earth
All the beauty I see He has given to me
And His giving is gentle as silence.

Every day, every hour, every moment,
Have been blessed by the strength of His love
At the turn of each tide He is here at my side
And his touch is as gentle as silence.

There've been times when I've turned from his
presence | and I've walked other paths, other ways
But I've called on His name in the dark of my shame
and His mercy was gentle as silence
